Motion made and seconded that we raise and appropriate the sum of \$3,000.00 to defray town charges. This motion carried.

ARTICLE 3: To see if the Town will vote to raise and appropriate a sum of money for salary of Police Department.

Motion made that we vote to raise \$300.00 for salary and 10¢ per mile. This motion not seconded. It was stated that \$300.00 was offered and turned down, but that \$400.00 would be acceptable. Therefor, the sum of money was left open.

Motion made and seconded that we raise and appropriate the sum of \$500.00 for Salary of Police Department. This motion carried.

ARTICLE 4: To see if the Town will vote to raise and appropriate a sum of \$950.00 for Town Welfare.

Motion made and seconded to raise and appropriate the sum of \$950.00 for Town Welfare. This motion carried.

ARTICLE 5: To see if the town will vote to raise and appropriate the sum of \$200.00 for purchase and maintenance of forest fire equipment.

Question asked: What is the \$200.00 for? What are we maintaining? Answers given: We were going to sell the firetruck but found out it is a converted Army vehicle, and is worth more to the Town by keeping it than selling it. We have a pump and hoses. The hoses are about 3 years old and should be replaced as needed. Everything we have is in good working order. We have about 6 shovels, axes and rakes, 5 back-pack pumps and 1200 to 1400 feet of hose. Some of the pumps are in need of repair.

The usefulness of the fire department was questioned. It was discussed for some length and decided that if it had not been for our fire equipment a few years ago, we would have had a bigger forest fire than we had.

After much discussion, motion made and seconded to raise and appropriate the sum of \$200.00 for purchase and maintenance of forest fire equipment. This motion carried.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$341.51 for T.R.A.

Motion made and seconded to raise and appropriate the sum of \$341.51 for T.R.A. This motion carried.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$63.00 as its fair share of the operating cost of Elliot Community Hospital.

Motion made and seconded to raise and appropriate the sum of \$63.00 as our fair share of the operating cost of Elliot Community Hospital. This motion carried.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$46.00 for the Monadnock Region Association.

Motion made and seconded to raise and appropriate the sum of \$46.00 for the Monadnock Region Association. This motion carried.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$100.00 for upkeep of Cemeteries.

Motion made and seconded to raise and appropriate the sum of \$100.00 for upkeep of cemeteries. This motion carried.

ARTICLE 10: To see if the Town will authorize the selectmen to borrow money in anticipation of taxes.

Motion made and seconded to authorize the selectmen to borrow money in anticipation of taxes. This motion carried.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$120.00 for a contingency fund.

Question: If we raise and appropriate this \$120.00, will the State go along with this, because last year they wouldn't let us have our \$500.00 contingency fund? Answer: We can only raise 1% of the Towns Value, which is about \$120.00.

Motion made and seconded to raise and appropriate the \$120.00 for the contingency fund. This motion carried.

ARTICLE 12: To raise \$2,000.00 for Summer and \$2,500.00 for Winter road maintenance.

The question was asked if something could be done to widen and cut brush back on the (?) Road. There are about three places that are quite narrow on the Marlborough side. Marlborough cannot afford to do anything and something should be done. Perhaps Roxbury and Marlborough could get together and work it out. It was suggested that this be taken up under new business and further stated that it was Marlborough's part of the road and that Town should take care of it.

Motion made and seconded to raise \$2,000.00 for Summer and \$2,500.00 for Winter road maintenance. This motion carried.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$500.00 to build a salt house to store salt.

Question asked: Why is it needed? Can't we use a tarp to cover it as other Towns do? Why can't we store it in the Firehouse Shed? Answers given: We used about 23 tons of salt this year and about 1/3 of this is lost because of the storage problem. Its kind of hard to store 10 tons of salt with a tarp and we use about 3 tons per storm. As for the Fire House, water runs thru there in the spring, therefor, the floor would have to be built up and shored-up, costing about the same as the salt shed would. Over a period of years, the Town could save on salt by building a salt shed.

Further Questions Asked: Why not use sand? How far from the road and where would you build it? Answer given: When using sand you still have to mix some salt with it to keep it from freezing, and sand costs more. Somewhere near the fire house it could be built.

Some Towns are banning the use of salt, as it has been found harmful to the environment, such as trees (maple), animals and cars. What if we build a salt shed and its use is ban? Also a few children play near or around the salt and it can, and is, harmful to them. After much discussion, a motion was made and seconded to PASS OVER ARTICLE 13. This motion carried. ARTICLE 13 PASSED OVER.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$48.00 to support the mental health service program of Monadnock Family and Mental Health Service.

It was stated by the selectmen that this program does not affect anyone in Roxbury as it has been looked into.

Motion made and seconded to PASS OVER ARTICLE 14. This motion carried. ARTICLE 14 PASSED OVER.

A recess was called at this time to close the polls and count the ballots. Polls closed 8:10 p.m. The meeting was called to order again at 8:30 p.m. This part of the meeting was opened by the reading of the results of the voting. (Refer to Article 1 for these results).

ARTICLE 15: (Inserted by the Planning Committee voted at the Town Meeting, March 10, 1970). To see if the Town will vote to establish a Planning Board of five members with duties as set forth in Sections 1-15, Chapter 36, N.H. Revised Statutes Annotated, 1955, to make a study of the Town's development and report to the Town appropriate recommendations for the promotion and maintenance of the Town's best development. The Board shall consist of one Selectman and four other Citizens appointed by the selectmen, as provided in Chapter 36, N. H. Revised Statutes Annotated, 1955.

Motion made and seconded to pass Article 15 as read. This motion carried. Article 15 carried as read.

ARTICLE 16: (Inserted by the Planning Committee voted at the Town Meeting, March 10, 1970). To see if the Town will vote to authorize and empower the Planning Board to approve or disapprove in its discretion new subdivisions and plans thereof showing streets, or the widening thereof, or parks, and upon the adoption of this article, it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Cheshire a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Section 19 and Sections 19-29 inclusive, Chapter 36 of the N. H. Revised Statutes Annotated, 1955. If this article is adopted, it shall further be the duty of the Town Clerk to issue all certificated of failure when the Planning Board shall fail to take action as provided in Chapter 36: Sections 19, 20-29 inclusive. RECOMMENDATION: Adoption of this article - To establish subdivision regulations in a town, it is necessary for the Town Meeting to authorize the Planning Board to hold a hearing and adopt same. It should also be noted that the Town Meeting - under state law - does not act on subdivision regulations, per se, but only authorize the Planning Board to adopt same.

Motion made and seconded to pass Article 16 as read.
This motion carried. Article 16 carried as it reads.

ARTICLE 17: To see if the Town will vote to become a member of regional planning commission, now organized and named the Ashuelot Valley Regional Planning Commission. This Commission will have membership of at least two municipalities and will have jurisdiction over the planning region delineated by the Office of State Planning. The objective of the Commission will be to plan for and encourage regional planning analysis, provide consensus on major problems of regional concern and to assist in the effectuation of projects within, and which extend beyond, the boundaries of a particular town.

The Commission will have only the authority conferred on it by Chapter 36: 45-53, Revised Statutes Annotated, 1955, and will be an advisory commission to local governments in the region. Members of the Commission shall be appointed by the Selectmen in accordance with State Law. Two representatives will be appointed from Roxbury.

Motion made and seconded to pass Article 17 as read.
This motion carried. Article 17 carried as it reads.

ARTICLE 18: To see if the Town will vote to appropriate the sum of \$96.72 as the Town's share for the studies and operation of the Ashuelot Valley Regional Planning Commission. These funds will be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the Commission. These funds may be used in conjunction with other State and Federal funds available for planning purposes.

Motion made and seconded to appropriate the sum of

\$96.72 as the Town's share for the studies and operation of the Ashuelot Valley Regional Planning Commission. This motion carried.
Article 18 passed.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$300.00 for emergency assistance to Town Poor.

It was explained that if someone is out of work, the Town is responsible for them for the first year, then the county can take over their care. We spent \$80.00 for such a case this past year from general money, as the people had to eat, and it's up to the Town to appropriate the money. Welfare is by the State and while waiting to get on State Welfare, if they ever can get on it, the Town has to see to their care. This comes under the job of "Overseer of the Poor." After much discussion -

Motion made and seconded to raise and appropriate the sum of \$300.00 for emergency assistance to Town Poor. This motion carried.

OTHER BUSINESS

1. It was asked if the Town would choose their own constable's duty and if they do, see if he will take job of constable. It was asked that if you vote a deputy, shouldn't you vote him a salary also? The answer was, we already voted in \$500.00 for the Police Department.

Motion made and seconded that nominations be taken from the floor for deputy to the Town Police Department. Those nominated:

1. Richard Whipple
2. Charles Bailey
3. William Yardley
4. Eugene Gunseth
5. Alpheus C. White

No one really wanted the job. And the question was raised if a Town Officer could hold two positions? In most cases, the answer is no.

Motion made and seconded to vote for deputy by a show of hands. This motion carried.

The results of such a vote was rather unusual, as only 34 voters were present.

1. Richard Whipple	13	1
2. Charles Bailey	1	1
3. Bill Yardley	5	-
4. Eugene Gunseth	10	1
5. Alpheus C. White	17	1

Total hand votes counted ---- 50.

Motion made and seconded to rescind show of hand votes. This

motion carried. Show of hand votes repealed.

Motion made and seconded to vote by written ballots. This motion carried.

All those candidates previously nominated, declined to accept the nomination for constable deputy except Alpheus C. White.

The written vote was carried out and the results were: Of 27 votes cast, Alpheus White received 23 votes, Richard Whipple 2, Charles Bailey 1 and Robert Fifield 1. Alpheus C. White elected deputy constable.

2. Mr. Pyne, on behalf of the Town, presented to Mr. Charles Norwood, a gift for his long service as selectman for the past 7 years.

3. It was stated that one of the Town Officers asked for an increase in salary. We thought it only right that if one of the Town Officers got a raise the others should. This would include the three Selectmen, Town Clerk and Treasurer. This breaks down to: Both Jr. Selectmen from \$150 to \$175. Chairman of Selectmen from \$170 to \$200. Town Clerk from \$60 to \$100 and Treasurer from \$60 to \$75 a year.

If this is acceptable, we can take it out of the appropriated money under Article 2. We are about 1/2 the size of the other Towns and a comparison was made as to their officers salaries and we will be about 1/2 in regard to salaries. Other Towns have, or are, increasing their officers salaries. We have not had any increases in at least 10 years. There is a great deal more paper work and hours to the jobs now than ten years ago. Question: What about Trustee and Road Agent increases? Answer: Not included in the increase at this time.

Motion made and seconded to increase the stated Town Officers salaries as put forward and explained by Mr. Norwood. This motion carried.

4. Motion made and seconded to paint the Town Tool Shed (Firehouse) with the Town's women providing food and refreshments. This motion carried. (As it was noted by those that showed up last year, it was a joy painting the Town Hall last year).

Motion made and seconded to set June 5th, 1971, Saturday, as the day to paint the Firehouse.

5. The kitchen cabinets were built last year and they were paid for by the contingency fund. So the committee still has the \$150.00 they raised some years ago.

Motion made and seconded to use the committee money to pay for the repair of the fire escape on the Town Hall. This motion carried.

Motion was made and seconded to close meeting. This motion carried.
Meeting closed 9:15 p.m.

Respectfully submitted,

Carol A. White

REPORT OF THE PLANNING BOARD

In accordance with a vote of the Town Meeting of March 9, 1971 a Planning Board was established with five members:

Fred White, Chairman
Charles Norwood
Richard Whipple
Glen White
George Morris, Selectman

Your Planning Board has worked diligently with Richard Rourke, Director of the Southwestern New Hampshire Regional Planning Association and has accomplished quite a bit.

12 meetings have been held -
Rules of procedure have been adopted -
Delegates to the Regional Planning Association: Charles Norwood and Richard Whipple -
A base map of the town has been obtained and brought up-to-date -
Subdivision regulations have been adopted and recorded in the County Courthouse -
Zoning ordinances have been discussed; public hearings have been held; proposed zoning ordinances are set forth in this Town Warrant for the voters consideration; and in view of the potential future development of this area, your Planning Board strongly recommends that these ordinances be adopted.

It is the opinion of the Board that our membership in the Regional Planning Association has been well worth the cost; and we wish to thank Mr. Richard Rourke, Regional Planning Director whose help and cooperation has been of incalculable value to us in our work.

Respectfully submitted,

Fred A. White
Glen L. White

Complaints regarding offensive odors emanating from a piggery were investigated and everything on the site was found to be in compliance with State Laws.

No dog bites, communicable diseases or anything else concerning this department have been reported to your health officer.
